Company with UNI EN ISO 9001:2015 certified management system

50 YEARS OF EFFICIENCY, RELIABILITY AND EXPERTISE

Willchip International was founded in the 1970s, operating in the packaging and office supplies sector and immediately placing itself on the market among the main suppliers of self-adhesive envelopes for documents in Italy. The company is a lean and dynamic structure and operates with a team of people strongly Customer oriented

*«Our goal
the satisfaction of
our Customers»*

A CHOICE OF QUALITY AND SUSTAINABILITY

The environment is a topic that has always been present in Willchip's strategy, which has long been committed to the production of recyclable or biodegradable products made in factories that respect safety regulations to protect workers.

RESEARCH OF NEW TECHNOLOGIES AND MATERIALS

Awareness and perseverance motivate the company, which has never stopped researching new products and continuously improving the services offered.

As a confirmation of this successful policy, since 2011 Willchip International achieved the important Quality System Certification from the main Certification Body TÜV Sud Italy attesting the quality of the Company Management System as required by rule required UNI EN ISO 9001:2015.
